

# Police-reported cybercrime, 2016

Released at 8:30 a.m. Eastern time in *The Daily*, Tuesday, November 28, 2017

---

Data for 2016 on police-reported cybercrime is now available for a subset of police services across Canada that report to the newest version of the Uniform Crime Reporting Survey. The survey collects data on criminal incidents reported to police, including information on victims and accused persons involved in the incident.

Additional data are available upon request.

**Available in CANSIM: tables [252-0095](#) and [252-0096](#).**

**Definitions, data sources and methods: survey number [3302](#).**
