LIST OF FOREIGN AFFILIATES TO BE REPORTED ON BP-CIA SURVEY

Definition of foreign affiliates

• Foreign affiliates are foreign entities in which the Canadian reporting enterprise, including its fully consolidated Canadian subsidiaries, owns or controls 10% or more of the voting equity. Foreign affiliates is used as an umbrella term covering foreign subsidiaries (voting power greater than 50%), associates (voting power between 10% and 50%) and branches.

Reporting of foreign affiliates

• This questionnaire has been designed to accommodate the majority of respondents, most of whom have five or fewer foreign affiliates. If you have more than five foreign affiliates, please make copies of this questionnaire for the additional foreign affiliates to be reported, or contact us to request additional copies of the questionnaire.

How to report values

• Amounts reported should be rounded in thousands of Canadian dollars. For example, an amount of C\$ 3,435,768.00 should be reported as "3,436" on the questionnaire. Amounts below C\$ 500.00 are rounded to "0" and should, therefore, be omitted.
