This information is collected under the authority of the *Statistics Act*, Revised Statutes of Canada, 1985, Chapter S-19.

While participation in this survey is voluntary, your cooperation is important to ensure that the information collected in this survey is as accurate and as comprehensive as possible.

## Introduction

### Survey purpose

The purpose of this survey is to obtain information on the quantities of selected asphalt roofing products that are produced, shipped and exported by Canadian manufacturers along with the destination of shipments by province. Data collected by this survey provide an indicator of the economic condition of the producing industry and can serve as input to study market share and industry trends.

Your information may also be used by Statistics Canada for other statistical and research purposes.

### Security of emails and faxes

Statistics Canada advises you that there could be a risk of disclosure during facsimile or e-mail. However, upon receipt, Statistics Canada will provide the guaranteed level of protection afforded all information collected under the authority of the *Statistics Act*.

**Note:** Our online questionnaires are secure, there is no risk of data interception when responding to Statistics Canada online surveys.

### Confidentiality

The *Statistics Act* protects the confidentiality of information collected by Statistics Canada.

Information on confidentiality and record linkages can be found on the last page of this questionnaire.

**Please return the questionnaire by the 10th of the month following the month under review.**

For reporting data for the most recent month under review, the preferred collection method is the electronic questionnaire. If you have not received your electronic questionnaire through e-mail or if you need help, please contact us.
