**Complete** and return this questionnaire, in addition to a **Victim** questionnaire, if the victim was a **correctional worker** who was killed **due to their occupation** regardless of whether they were on or off duty at the time of their homicide. Include **all correctional workers** working **within** the confines of a correctional facility (including **remand centers**). **Correctional worker** includes people occupied as: correctional officers, parole officers, Wardens, medical staff, educators, social workers, volunteer workers, and other occupations within the correctional facility (e.g., caretaker or administrative staff).

### GENERAL INFORMATION

This information is collected under the authority of the *Statistics Act*, Revised Statutes of Canada, 1985, Chapter S-19.  
**COMPLETION OF THIS QUESTIONNAIRE IS A LEGAL REQUIREMENT UNDER THIS ACT.**

#### Objective

This survey collects essential data to produce statistics on the incidence and characteristics of homicide offences in Canada. The information is used by federal and provincial policymakers as well as public and private researchers. The data are also widely disseminated by the media for purposes of general public information. The information may also be used by Statistics Canada for other statistical and research purposes.

#### Confidentiality

Statistics Canada is prohibited by law from releasing any information it collects which could identify any person, business, or organization, unless consent has been given by the respondent or as permitted by the *Statistics Act*. Statistics Canada will use the information from this survey for statistical purposes.

#### Record linkages

To enhance the data from this survey and to minimize the reporting burden for respondents, Statistics Canada may combine the information you provide with other survey or administrative data sources.
