

## **NOTE FOR ITD CANSIM TABLES**

### Tables 228-0001, 228-0002, 228-0003

In tables 228-0001, 228-0002 and 228-0003 you will find the data for 1971 to 1992, which are harmonized with the price and volume indices published for these years in their respective reference bases.

These data are different from the published data for the same years in tables 228-0041, 228-0042 and 228-0043, which were revised following changes made in the balance of payments concepts in 1997 and which are used in calculating Gross Domestic Product (GDP).

The numbers from 1992 to today are the same in both series of tables.
