Coverage: Respondents who had at least one job between January 2004 and December 2005.
Note: This variable was derived from the variables: HWED4 JBST24X4.

Questions on unpaid leaves were not asked in cycle 4, so the derived variable WKFTPTD4 could not be created as we do not know if the respondents were on an unpaid leave in December 2005. For this new variable, as long as the respondent had the job in December 2005, we took the information on the full-time or part-time status when they last worked at the job, and assign that job that status.
