Total number of months respondent was employed and worked at job during 2000-2001 only. Respondent is not considered as having worked at the job during months where she/he was on an unpaid leave from the job. In addition, the information on unpaid leaves was ignored if the data was incomplete, either because the respondent did not indicate whether any unpaid breaks occurred, how many breaks occurred, did not indicate the start month or end month of break, or if the dates on leave were inconsistent with the dates of the job.
