PLEASE READ BEFORE COMPLETING

This information is collected under the authority of the *Statistics Act*, Revised Statutes of Canada, 1985, Chapter S-19. COMPLETION OF THIS QUESTIONNAIRE IS A LEGAL REQUIREMENT UNDER THIS ACT.

Survey purpose

Data are used to prepare statements on Canada's Balance of International Payments and International Investment Position. Such statements are used as a major input in the conduct of monetary and exchange rate policies by the Government of Canada. Other uses include international trade negotiations, business planning, marketing and institutional research. Your information may also be used by Statistics Canada for other statistical and research purposes.

Fax or e-mail transmission disclosure

If you choose to transmit the questionnaire to Statistics Canada by facsimile or other electronic transmission, please be advised that there could be a risk of disclosure during the communication. However, upon receipt of your information, Statistics Canada will provide the guaranteed level of protection afforded all information collected under the authority of the *Statistics Act*. Note: There is no risk of disclosure if you are completing a web-based questionnaire online.

Confidentiality

Statistics Canada is prohibited by law from releasing any information it collects which could identify any person, business, or organization, unless consent has been given by the respondent or as permitted by the *Statistics Act*. Statistics Canada will use the information from this survey for statistical purposes.

Record linkage

To enhance the data from this survey, Statistics Canada may combine it with information from other surveys or from administrative sources.

Reporting entity

The Canadian reporting enterprise should provide a consolidation including itself and all of its Canadian subsidiaries. Investment in foreign subsidiaries, associates and branches should be accounted for on an equity or cost basis only.

Foreign parent corporations / sister companies

The shareholders which are capable of exercising control of the Canadian reporting enterprise through ownership of securities or by other means. Shareholders may reside in more than one country. Include foreign sister companies which are controlled by substantially the same shareholders or group of shareholders.

Foreign affiliates

Those foreign companies or branches in which the Canadian reporting enterprise (directly and/or indirectly through subsidiaries) has ownership interest of at least 10% of the voting equity. A subsidiary is a foreign company in which the reporting company owns a majority of the voting equity. An associate is a foreign company in which the reporting company owns between 10% and 50% of the voting equity. A foreign branch is not a separate legal entity but registered to do business in a foreign country, including operations such as a division, mine or construction project.

Country details

Please use the country code list provided on page 9 to identify the country where shares or debt is owned. If a country is not identified on the list, please write the name in full. When the country breakdown is not available, please estimate. If there are any difficulties in reporting the breakdown by country, specify individual countries only for those amounts greater than \$500,000, or attach a separate sheet.

Selected income and retained earnings accounts

Report gross amounts before deduction of withholding taxes remitted directly or charged to accounts or settled by issue of stock, notes, etc. to creditor.

Reporting period:

Enter the starting and ending dates of the quarterly period covered.

C0100 to C0101

Reporting instructions

In order to complete this questionnaire, you will need information on financial transactions and asset and liability positions between your Canadian corporation and foreign non-resident companies, including foreign affiliates, foreign parent and sister companies and other foreign non-affiliated companies. You will be asked to report on the beginning and ending positions of these asset and liability balances as well as related financial transactions that occurred during the quarter.

The Canadian reporting entity should provide a fully consolidated report including itself and all of its Canadian subsidiaries and associates and branches.

- Please print in ink.
- **Report** dollar amounts in thousands of Canadian dollars ('000).
- When precise figures are not available, please provide your best estimates.
- If there are any difficulties in reporting breakdowns by country, specify individual countries only for those amounts greater than \$500,000.
- A completed copy of this questionnaire should be returned **within three weeks** of receipt.
- Consult the reporting guide at www.statcan.gc.ca/guides-e for further information.
