

The following data on your debt has been compiled from information submitted in prior years and other sources. Please revise and update the information on this form. Any additional long-term debt items not shown below should be reported on the BP-52 questionnaire. The 2006 year-end amount outstanding might be slightly different because of the variations in exchange rates used.

Consolidation of Canadian subsidiaries												Amounts outstanding									
TYPE OF LONG-TERM LIABILITY (including amounts due within one year)												Total		Geographical distribution at end of 2007							
Debt	Issue date			Interest rate	Office use only	Maturity date			Currency of issue		Check <input type="checkbox"/> currency/ interest rate swaps	At end of 2006	At end of 2007	Owned in Canada		Owned in other countries					
	Day	Month	Year			Day	Month	Year	Currency code	Rate used to convert				Held by direct investors	Held by other investors	Held by direct investors	Held by other investors	Country code			
												Cdn. \$'000						Cdn. \$'000
