This information is collected under the authority of the *Statistics Act*, Revised Statutes of Canada, 1985, Chapter S-19. While participation in this survey is voluntary, your cooperation is important to ensure that the information collected in this survey is as accurate and as comprehensive as possible.

## Introduction

### Survey purpose

The purpose of this survey is to obtain information on the quantities of selected asphalt roofing products that are produced, shipped and exported by Canadian manufacturers along with the destination of shipments by province. Data collected by this survey provide an indicator of the economic condition of the producing industry and can be an input to study market share and industry trends.

Your information may also be used by Statistics Canada for other statistical and research purposes.

### Security of emails and faxes

Statistics Canada advises you that there could be a risk of disclosure during the transmission of information by facsimile or email. However upon receipt, Statistics Canada will provide the guaranteed level of protection afforded to all information collected under the authority of the *Statistics Act*.

**Note:** Our online questionnaires are secure, there is no risk of data interception when responding to Statistics Canada online surveys.

### Confidentiality

By law, Statistics Canada is prohibited from releasing any information it collects that could identify any person, business, or organization, unless consent has been given by the respondent, or as permitted by the *Statistics Act*. Statistics Canada will use the information from this survey for statistical purposes only.

**Please return the questionnaire by the 10th of the month following the month under review.**

For reporting data for the most recent month under review, the preferred collection method is the electronic questionnaire. If you have not received your electronic questionnaire through e-mail or if you need help, please contact us.

☐ Mineral surfaced organic felt roll roofing → Go to question 7  
i.e., paper or wood-based felt roll roofing surfaced with granules

B05267\_p4

☐ Modified base sheet roll roofing → Go to question 10  
i.e., bitumen-based and fiberglass or polyester reinforced sheet rolls

B05267\_p5

☐ Ice and water protective rolls → Go to question 13  
i.e., self-adhesive ice and water protective rolls to be installed under roofing shingles

B05267\_p6

☐ Asphalt saturated organic felts → Go to question 16  
i.e., asphalt saturated paper or wood-based felts which are not coated

OR

B05267\_p7

☐ None of the above

## Asphalt shingles

2. For the reporting period, provide the quantity **produced** of **asphalt shingles**, in **metric bundles**.

Should represent the gross production from your machines less the amount of waste prior to shipments, unless the waste can be used for other purposes and has a commercial value. Report all production which qualifies under these terms regardless of where or to whom sold. A metric bundle covers approximately 3 square metres or 33 square feet.

**Exclude** seconds. Seconds are to be considered as scrap until sold and should be added to the production for the month in which they are shipped.

### Quantity produced in metric bundles
