This survey measures the month-to-month trends of payroll employment, paid hours and earnings. Your participation is critical to ensure an accurate reflection of your industry, region and business size. As with most business surveys, completion of this survey is a legal requirement under the Statistics Act.

Statistics Canada has entered into data sharing agreements pursuant to Section 11 of the Statistics Act, with the statistical agencies in the provinces of British Columbia, Ontario, Québec and New Brunswick and under Section 12 with the Northwest Territories Bureau of Statistics and the Nunavut Bureau of Statistics. Under Section 12 of the Statistics Act, respondents in the Northwest Territories and Nunavut may refuse to share their data with their respective bureaus of statistics by writing to the Chief Statistician and returning a letter of objection with their completed questionnaire.

Strictly for statistical purposes, Statistics Canada will combine your responses to this survey with your business' monthly payroll deduction files received from the Canada Revenue Agency. The combined information permits the publication of the total number of paid employees, payrolls and hours at detailed industrial and geographic levels.
