This survey measures the month-to-month trends of payroll employment, paid hours and earnings. Your participation is critical to ensure an accurate reflection of your industry, region and business size. **Completion of this survey is a legal requirement under the *Statistics Act*.** Statistics Canada is prohibited by law from releasing any information it collects which could identify any person, business, or organization, unless consent has been given by the respondent or as permitted by the *Statistics Act*. Statistics Canada will use the information from this survey for statistical purposes.

To reduce respondent burden, Statistics Canada has entered into data-sharing agreements with provincial and territorial statistical agencies and other government organizations, which have agreed to keep the data confidential and use them only for statistical purposes. Information on confidentiality, data-sharing agreements and record linkages can be found on the last page of the reporting guide.

Your responses for this survey will be combined with your business' monthly payroll deduction files received from the Canada Revenue Agency.
