Telecommunication Market Information Data Collection

- About this document** This document was produced by the CRTC Data Collection System for the purpose of completing data forms off-line using the Microsoft Excel desktop application. Once completed, the document can be uploaded to the Data Collection system to populate the data forms in the on-line system.
- Form integrity** This form includes shaded and non-shaded areas. Please provide the data requested in the shaded areas only: do not alter the form by adding, deleting, merging, or otherwise manipulating individual cells. Any changes to the form will prevent the Data Collection System from loading it accurately.
- Period** Entities are required to file data for the 12 month period reported in their 2007 annual financial statements. Where mergers have occurred, each prior entity must report information separately for any periods prior to the merger.
- Submission** Completed forms should be submitted:
