Information for Respondents

Authority:

Statistics Act, Revised Statutes of Canada, 1985, Chapter S19.

Objective:

This survey was designed to produce an indicator on the incidence of crime in Canadian society. The information is used by federal and provincial policy makers as well as public and private researchers. The data are also widely disseminated by the media for purposes of general public information.

Confidentiality:

Statistics Canada is prohibited by law from publishing any statistics which would divulge information obtained from this survey that relates to any identifiable respondent/individual without the previous

written consent of that respondent/individual. The information reported on this questionnaire will be treated in confidence, used for statistical purposes and published in aggregate form only. The confidentiality provisions of the Statistics Act are not affected by either the Access to Information Act or any other legislation.

Correspondence:

If you require assistance in the completion of this questionnaire or any questions regarding the survey, please contact the;

Policing Services Program,

Summary Instructions – Form “T” – Traffic Enforcement Statistics

(see Uniform Crime Reporting manual for detailed instructions)

Returns to Statistics Canada

Form “T” is sent to police forces monthly for return to Statistics Canada not later than the 15th of the following month.

Crime Data

All offences occurring within your jurisdiction must be recorded, including unsolved offences. Information on charges laid and offences cleared must be recorded and reported. Use police department records and not court records which have only a record of offenders appearing in court.

When to Score

- 1° Offences are to be reported in the month they become known to the police.
- 2° Offences cleared are to be reported in the month they are cleared.
- 3° Persons charged are to be reported in the month the person is charged.

Persons Charged

In Form “T” the persons charged data includes adults and young offenders sub-divided into males and females.

Total Charges

On Form “T” total charges against adults and young offenders are to be reported for federal and provincial statutes and municipal by-laws.

Reporting Jurisdictions

Duplication of reporting statistical data must be avoided. Cases involving assistance to other police forces, and arrests made or summonses served for the police of another jurisdiction must not be reported as they will be counted by the police department concerned.
