STEP F

If more than six persons live here, you will need an extra questionnaire; call 1-855-340-2021.

You have now completed your questionnaire. Please **mail it today**. If you have lost the return envelope, please mail the questionnaire to:

Statistics Canada
PO BOX 99996, STN FED-GOVT
Ottawa, ON K1A 9Z6

Thank you for your cooperation.

REASONS WHY WE ASK THE QUESTIONS

Steps A to C and question 1 are used to collect contact information and determine who should be included on the questionnaire. They help us ensure that we have counted everyone we need to count and that no one is counted twice.

Questions 2 to 7 provide information about the living arrangements of people in Canada, the family size, the number of children living with one parent or two parents, and the number of people who live alone. This information is used for planning social programs, such as Old Age Security and the Canada Child Benefit. It is also used by municipalities to plan a variety of services such as day care centres, schools, police, fire protection and residences for seniors.

Questions 8 to 10 are used to provide a profile of the linguistic diversity of Canada's population. This information is used to estimate the need for services in English and French, and to better understand the current state and the evolution of Canada's various language groups.

Question 11 provides information on the number of people with Canadian military experience. Governments will use this information to develop programs and services to meet the changing needs of the Veteran population.

Questions 12 to 17 collect information in accordance with the *Canadian Charter of Rights and Freedoms* to support education programs in English and French in Canada.
