A - Introduction

Survey purpose

This survey collects financial and operating data needed to produce statistics for your industry. For more information on survey purpose, please consult the reporting guide at www.statcan.gc.ca/guides.

Data-sharing agreements

To reduce respondent burden, Statistics Canada has entered into data sharing agreements with provincial and territorial statistical agencies and other government organizations, which must keep the data confidential and use them only for statistical purposes.

Information on confidentiality, data-sharing agreements and record linkages can be found on the last page of this questionnaire.

Confidentiality

The *Statistics Act* protects the confidentiality of information collected by Statistics Canada.

Fax or other electronic transmission disclosure

Statistics Canada advises you that there could be a risk of disclosure during facsimile or other electronic transmission. However, upon receipt, Statistics Canada will provide the guaranteed level of protection afforded all information collected under the authority of the *Statistics Act*.
