Under **Section 12**, you may refuse to share your information with any of these organizations by writing a letter of objection to the Chief Statistician and returning it with the completed questionnaire. Please specify the organizations with which you do not want to share your data.

For this survey, there are **Section 12** agreements with the statistical agencies of Prince Edward Island, the Northwest Territories and Nunavut, as well as with the Canada Energy Regulator, Natural Resources Canada and Environment and Climate Change Canada and the provincial and territorial departments responsible for the energy sector. For a detailed list of departments please see the Data Sharing section of the Information for Survey Participants page on the StatCan website: <https://www.statcan.gc.ca/eng/survey/business/5047>.

For agreements with provincial and territorial government organizations, the shared data will be limited to information pertaining to business establishments located within the jurisdiction of the respective province or territory.
