

For-Hire Motor Carrier Freight Services Price Report

2008 Quarter 2

Purpose of this survey

The data collected in this survey are used to produce indexes that measure the changes in the prices of For-Hire Motor Carrier Freight Services. Businesses use these indexes to gain a better understanding of their industry and assess their performance, while Statistics Canada uses these indexes to deflate current dollar values and derive real growth and productivity from this sector of the economy.

Confidentiality

Statistics Canada is prohibited by law from publishing any statistics which would divulge information relating to your business without your prior written consent.

The data reported on your questionnaire will be treated in strict confidence, used for statistical purposes and published in aggregate form only. The confidentiality provisions of the Statistics Act are not affected by the Access to Information Act or by any other legislation.
