Guide

This survey is conducted under the authority of the Statistics Act, Revised Statutes of Canada, 1985, Chapter \$19 Authority:

Completion of this questionnaire is a legal requirement under the Statistics Act.

Confidentiality: Information collected under the Statistics Act is treated in strict confidence and is specifically exempt from being

released under the Access to Information Act. Purpose:

This survey is intended to cover purchases of short-term securities (with original term to-maturity of one year or less) by residents of Canada from non-residents for inclusion in the official estimates of the Canadian balance of payments. The guiding principle in completing the questionnaire is whether there has been a change in ownership between residents of Canada and non-residents. For the purposes of this survey the following transactions are

considered to be transactions with non-residents:

(a) transactions in short-term securities executed in Canada for the accounts of non-residents; and

(b) transactions in short-term securities executed outside Canada for your own account or for the accounts of clients

resident in Canada.

Include all Canadian and foreign short-term securities. For example, Government of Canada treasury bills, short-term Short-term paper issued by Canadian provincial and municipal governments and government agencies, Canadian finance company paper and Canadian commercial paper should be included. Simyllarly, include foreign money market paper securities:

issued by foreign governments and corporations.

A completed copy of this questionnaire should be returned within three weeks of receipt to Balance of Payments Filing of reports: Division, Statistics Canada, Ottawa, Ontario, K1A 076 Nouvieed any clarification regarding reporting, please

telephone collect 1(613) 951-1864.

Please use the geographic coding list to identify the currency of the issue. Currency of issue :

Country of non-resident: Please use the geographic coding list to identify the country of residence of the foreign transactor.
