This survey is conducted by the Public Sector Statistics Division. It is designed to collect financial information in a form permitting the estimation of financial statistics for all local governments well in advance of final statistical reports.

To avoid duplication of enquiry, additional data on current revenue and expenditure will be provided by Alberta Municipal Affairs using the Municipal Financial Information Returns (FIR). This questionnaire requests detailed information which is not available in the FIR.

Data collected in this survey along with data from the FIR assist analysts interested in assessing the financial activities of government within the province of Alberta. The aggregated survey results provide input for the Fiscal Arrangements submission made to the Minister of Finance, the submission to the Income and Expenditure Accounts Division for incorporation into National Accounts statistics, the Financial Management System series of local government revenue and expenditure statistics and submissions to other Divisions in Statistics Canada.

The information is collected for statistical purposes under the authority of the *Statistics Act* which protects its confidentiality. The confidentiality provisions of the *Statistics Act* are not affected by either the *Access to Information Act* or any other Legislation. Any disclosure can only be authorized by the Chief Statistician under limited and specific conditions as specified in paragraphs 17(2)(a) to (g) of the *Statistics Act*.

The data sought comprise preliminary information for 2008 rounded to the nearest thousand.

Estimation techniques require the use of data for every local government surveyed. Where preliminary data for 2008 are not available **please provide your own best estimates.**

The concepts and classifications used in this survey are described in the Statistics Canada publication "Public Sector Statistics" (Cat.68-213-XIB). If any questions should arise regarding the completion of this form, please call the Institutional Statistics Section at (613) 951-1551; facsimile: 1-800-755-5514 (toll free); e-mail: piu/uip@statcan.ca.

Public transit, gas, telephone and electric operations should NOT be included in this report, except specified transactions with general fund.

Standard and custom tabulations of the survey results are available by contacting the Data Dissemination and External Relations Coordinator, Public Sector Statistics Division, at (613) 951-0767.
