**Survey purpose** - The purpose of this survey is to obtain information on quantities of domestic cement that are produced and shipped by Canadian manufacturers and quantities of domestic and imported cement distributed by region and exported. Data collected by this survey provide an indicator of the economic condition of the producing industry and can serve as input to study market share and industry trends.

### Sharing Agreement

In order to avoid duplication of enquiry and to provide for a uniform system of statistics, agreements for the exchange of information collected in this survey, have been made under Section 12 of the Canada *Statistics Act*, with provincial mining departments in the provinces of Newfoundland, New Brunswick, Quebec, Ontario, Manitoba and British Columbia, in respect of establishments located within the boundaries of their respective Province; and with the federal Department of Natural Resources Canada with respect to all establishments. Section 12 agreements shall not apply if you object in writing and mail your letter, together with the completed questionnaire, to the Manufacturing, and Energy Division of Statistics Canada.
