Month

IMPORTANT

Kindly complete and return this questionnaire no later than the TENTH of the month following the month under review.

Please update the name or address if necessary

Survey purpose - The purpose of this survey is to obtain information on quantities of domestic cement that are produced and shipped by Canadian manufacturers and quantities of domestic and imported cement distributed by region and exported. Data collected by this survey provide an indicator of the economic condition of the producing industry and can serve as input to study market share and industry trends. Your information may also be used by Statistics Canada for other statistical and research purposes.

Data-Sharing agreements

To reduce respondent burden, Statistics Canada has entered into data-sharing agreements with provincial and territorial statistical agencies and other government organizations, which have agreed to keep the data confidential and use them only for statistical purposes. The details of these agreements as well as information on record linkages were provided to you in the form of a letter with the January mail out. If you would like another copy of this information please contact us at 1-866-873-8789.
