### PURPOSE OF THE SURVEY

The purpose of this survey is to obtain information on the supply of, and demand for, energy in Canada. This information serves as an important indicator of Canadian economic performance, is used by all levels of government in establishing informed policies in the energy area. The private sector likewise uses this information in the corporate decision-making process.

### CONFIDENTIALITY

Statistics Canada is prohibited by law from releasing any information from this survey which would identify a person, business, or organization, without their permission or without due legal authority. The confidentiality provisions of the *Statistics Act* are not affected by either the *Access to Information Act* or any other legislation. Therefore, for example, the Canada Revenue Agency cannot access identifiable survey data from Statistics Canada.

These survey data will only be used for statistical purposes and will be published in an aggregate form only.

### DATA SHARING AGREEMENTS

To reduce response burden and to ensure uniform statistics, Statistics Canada has entered into data sharing agreements with provincial and territorial statistical agencies and other government organizations for the sharing of data from this survey. These organizations must keep the data confidential and use them only for statistical purposes. Statistics Canada will only share data from this survey with those organizations that have demonstrated a requirement to use the data.

Agreements to share information from this survey exist under Section 11 of the *Statistics Act* with the statistical agencies of Newfoundland and Labrador, Nova Scotia, New Brunswick, Quebec, Ontario, Manitoba, Saskatchewan, Alberta, British Columbia and the Yukon, regarding business establishments located or operating in their respective jurisdiction. These statistical agencies have the legislative authority to collect this information on their own or jointly with Statistics Canada. Their legislation also contains the same confidentiality protection and outlines similar penalties for disclosure of confidential information as the federal *Statistics Act*.

Agreements to share information from this survey exist under Section 12 of the *Statistics Act* with the statistical agencies of Prince Edward Island, the Northwest Territories and Nunavut, regarding business establishments located or operating in their respective jurisdiction, and with Saskatchewan Industry and Resources, the British Columbia Ministry of Energy, Mines and Petroleum Resources, Natural Resources Canada, Environment Canada and the Alberta Department of Energy with respect to all activities covered by this survey. Under Section 12, you may refuse to share your information with any of these organizations by writing a letter of objection to the Chief Statistician and returning it with the completed questionnaire. Please specify the organization with which you do not want to share your data.
