INFORMATION

AUTHORITY

Collected under authority of the Statistics Act, Revised Statutes of Canada, 1985, Chapter S19.

PURPOSE

The information you provide is used in the preparation of industry financial statements for the Canadian financial sector; also, these financial statements are used as inputs to the National Economic Accounts.

CONFIDENTIALITY

Statistics Canada is prohibited by law from publishing any statistics which would divulge information obtained from this survey that relates to any identifiable institution without the previous written consent of that institution. The data reported on this questionnaire will be treated in confidence, used for statistical purposes and published in aggregate form only. The confidentiality provisions of the Statistics Act are not affected by either the Access to Information Act or any other Legislation.

INSTRUCTIONS

- Report amounts in thousands of Canadian dollars.
- This report should cover Canadian operations only. Please exclude foreign branches, subsidiaries and affiliates.
- Securities received under resale or "sell-back" arrangements should be reported as receivable in item 3 rather than as increases in the applicable investments. Similarly, securities delivered under repurchase or "buy-back" arrangements should be reported as a liability in item 21.9 rather than as reductions in the applicable investments.
- If actual financial data is not available, estimates may be used in this report.

DEFINITIONS

The term "parent, subsidiaries and affiliates" used in this questionnaire covers non-consolidated parent, subsidiary and affiliated corporations; head offices, branches and divisions; affiliated joint ventures and partnerships; directors; officers and individual shareholders. Affiliated companies are corporations which are effectively controlled or whose operations are significantly influenced by the reporting entity or a common owner or group of owners.
