### Purpose of the Survey

The purpose of this survey is to collect data on gasoline and other petroleum fuels sold in Canada. These data are used by the Department of Finance for the calculation of fiscal equalization payments to the provinces pursuant to the **Federal-Provincial Fiscal Arrangements Act, 2004** and Territorial Financing for the territories. This information is also used by various levels of government for the planning and development of transportation infrastructure and by special interest groups for marketing strategies.

### Authority

These data are collected under the authority of the **Statistics Act, Revised Statutes of Canada, 1985, Chapter S19**.

### Confidentiality

The data are used for statistical purposes only and published by province and territory. Statistics Canada is prohibited by law from publishing any statistics that divulge information that relate to any identifiable business without the prior written consent of that business. The confidentiality provisions of the Statistics Act are not affected by the Access to Information Act or any other legislation.

### Return procedures

Please return the questionnaire within 30 days following the month covered. If you are unable to do so, please inform us of expected completion date.

### But de l'enquête

Cette enquête a pour but de recueillir des données sur les ventes d'essence et autres combustibles de pétrole au Canada. Ces données sont utilisées par le Ministère des Finances pour le calcul des paiements de péréquation versés aux provinces conformément à la **Loi de 2004 sur les accords fiscaux entre le gouvernement fédéral et les provinces** et le financement des territoires. De plus, ces données servent à divers paliers gouvernementaux pour planifier et élaborer l'infrastructure des transports et à des groupes d'intérêts spéciaux pour déterminer des stratégies de commercialisation.

### Autorisation

Les données sont recueillies en vertu de la **Loi sur la statistique, Lois révisées du Canada, 1985, chapitre S19**.

### Confidentialité

Les données sont utilisées à des fins statistiques seulement et publiées par province et territoire. La loi interdit à Statistique Canada de publier toute statistique pouvant révéler des renseignements au sujet d'une entreprise identifiable sans le consentement préalable, par écrit, de cette entreprise. Les dispositions de la Loi sur la statistique qui traitent de la confidentialité des données ne sont pas assujetties à la Loi sur l'accès à l'information ni à aucune autre loi.

### Processus de renvoi

Veuillez retourner le questionnaire dans les 30 jours suivant le mois couvert par l'enquête. Si cela n'est pas possible, veuillez nous informer de la date à laquelle vous prévoyez nous le faire parvenir.

### Fax or Other Electronic Transmission Disclosure

Statistics Canada advises you that there could be a risk of disclosure during the facsimile or other electronic transmission. However, upon receipt, Statistics Canada will provide the guaranteed level of protection afforded to all information collected under the authority of the Statistics Act.
