Please revise name and/or address above if not correct.

Survey Objective

This survey collects data which are essential for the statistical research and analysis of the for-hire trucking industry and the impact of this industry on the Canadian economy.

Authority

This survey is conducted under the authority of the Statistics Act, Revised Statutes of Canada, 1985, Chapter S19, and applicable provincial statutes and regulations. Completion of this questionnaire is a legal requirement under the Statistics Act.

Confidentiality

The data are to be used for statistical purposes only and published in aggregate form in the Surface and Marine Service Bulletin, Catalogue No. 50-002-XPB and in Trucking in Canada, Catalogue No. 53-222-XPB. The data are kept confidential, as outlined in the confidentiality provisions of the Statistics Act. The confidentiality provisions of the Statistics Act are not affected by either the Access to Information Act or any other legislation.

Coverage

This report should **include** all activities of your Canadian trucking subsidiaries and associated operations relating to your for-hire trucking operations in Canada Please include your for-hire trucking operations and work completed by owner operators on your behalf.

Reporting Procedure

Please refer to the reporting guide enclosed. All amounts should be reported in **Canadian** follars **excluding** the Goods and Services Tax (GST) A Statistics Canada representative will contact you shortly to collect the information requested on this opertionnaire. Please list your Canadian trucking subsidiaries and operations in the area provided below.

If you wish to return the completed questionnaire please refer to the address provided.

If you have any questions regarding the survey, please address all written enquiries to:

- Operations and Integration Division
- Statistics Canada
- Ottawa, (Ontario) Canada,
 - K1A OT6
 - or by telephone at:
 - 1-800-386-1273
 - 1-877-667-6684 (facsimile)

Federal Provincial Agreements

Statistics Canada has entered into data sharing agreements to reduce response burden and provide consistent statistics. Please refer to the last item in the Reporting Guide.
