AUTHORITY

Collected under the authority of the Statistics Act, Revised Statutes of Canada, 1985, Chapter S19.

PURPOSE OF THE SURVEY

This survey collects data essential for the statistical analysis of the passenger bus industry and its impact on the Canadian economy. Aggregated industry information and industry averages are used by individual businesses to assess their competitive position in the industry, banks for assessing industry performance for loan purposes, industry associations to help protect the industry's interests, industry analysts to evaluate industry performance for investment decisions, and all levels of government to develop national and regional economic programs and policies.

CONFIDENTIALITY

The data are to be used for statistical purposes only and published in aggregate form. Statistics Canada is prohibited by law from publishing any statistics that divulge information that relates to any identifiable business without the previous written consent of that business. The confidentiality provisions of the Statistics Act are not affected by the Access to Information Act or any other legislation.

FEDERAL-PROVINCIAL AGREEMENTS

- A. Under section 11 of the **Statistics Act** with the Newfoundland Statistics Agency and the Quebec Bureau of Statistics: Statistics Canada only enters into section 11 agreements with provincial statistical agencies that have statistics acts similar to the federal act. These agencies have the authority to collect this information and the same provisions for confidentiality and penalties for disclosure of information as the **Federal Statistics Act**.
- B. Under section 12 of the **Statistics Act** with the Newfoundland Department of Works, Services and Transportation, the Nova Scotia Board of Commissioners of Public Utilities, the Quebec Department of Transportation, the Ontario Ministry of Transportation and Transport Canada (see section C below): The agreements we have with these agencies require that they keep the information confidential and only use it for statistical and research purposes. Under section 12, respondents may object to the sharing of their information by giving notice in writing to the Chief Statistician and returning their letter of objection along with the completed questionnaire in the enclosed envelope.
- C. Further to the section 12 agreement with Transport Canada, the following applies to federally regulated carriers: Statistics Canada is collecting the information for itself pursuant to the **Statistics Act** and on behalf of Transport Canada pursuant to the **Canada Transportation Act** and the Carriers Information Regulations. In this case, respondents do not have the right to object to sharing their information since the party to the Agreement is authorized by law to require the respondent to provide the information.
