1. Have you obtained new assets as a lessee under a capital or financial lease during the current year?.		YES		NC	□
If you answered Yes to question 1, please complete question 2.Our definition of capital requires that capital obtained under a financial or capital lease be excluded from the value of capital, this is because it is being reported by the lessor. We do however					
understand that it can be difficult to distinguish between assets solely based on the mode of acquisition. That said, were you able to exclude from the capital reported on page 2, all capital acquired as a lessee whether by financial or capital lease?		YES		868 NC
