**SURVEY PURPOSES:** The survey collects the data needed to produce statistics on the stocks of frozen and chilled meat held at establishments registered with the Canadian Food Inspection Agency. These data will be aggregated with data from other sources to produce estimates of national and provincial stocks. Those estimates are used by government and the private sector to make policy and investment decisions.

## GENERAL INFORMATION

### Confidentiality

#### Your answers are confidential.

Statistics Canada is prohibited by law from releasing any information it collects which could identify any person, business, or organization, unless consent has been given by the respondent or as permitted by the *Statistics Act*. The confidentiality provisions of the *Statistics Act* are not affected by either the *Access to Information Act* or any other legislation. Therefore, for example, the Canada Revenue Agency cannot access identifiable survey records from Statistics Canada.

Information from this survey will be used for statistical purposes only and will be published in aggregate form only.

### Record linkages

To enhance the data from this survey, Statistics Canada may combine it with information from other surveys from administrative sources.

### Data-sharing agreements

To avoid duplication of enquiry, Statistics Canada has entered into data-sharing agreements with provincial statistical agencies, which must keep the data confidential and use them only for statistical purposes. Statistics Canada will only share data from this survey with those organizations that have demonstrated a requirement to use the data.

**Section 11** of the *Statistics Act* provides for the sharing of information with provincial statistical agencies that meet certain conditions. These agencies must have the legislative authority to collect the same information, on a mandatory basis, and the legislation must provide substantially the same provisions for confidentiality and penalties for disclosure of confidential information as the *Statistics Act*. Because these agencies have the legal authority to compel businesses to provide the same information, consent is not requested and farm operations may not object to the sharing of their data.

For this survey, there are **Section 11** agreements with the provincial statistical agencies of Newfoundland and Labrador, Nova Scotia, New Brunswick, Quebec, Ontario, Manitoba, Saskatchewan, Alberta and British Columbia

The shared data will be limited to information pertaining to farm operations located within the jurisdiction of the respective province.

**Section 12** of the *Statistics Act* provides for the sharing of information with federal and provincial government organizations. Under **Section 12**, you may refuse to share your information with any of these organizations by writing a letter of objection to the Chief Statistician at the address below. Please specify the name of the survey and the organizations with which you do not want to share your data.

Statistics Canada  
Chief Statistician  
R. H. Coats Building, 26th Floor, Section A  
100 Tunney's Pasture Driveway  
Ottawa, Ontario K1A 0T6

For this survey, there are **Section 12** agreements with the Prince Edward Island statistical agency, the New Brunswick Agriculture and Aquaculture department, the Ontario Ministry of Agriculture, Food and Rural Affairs, the Manitoba Department of Agriculture, Food and Rural Initiatives and the British Columbia Ministry of Agriculture and Lands.

For agreements with provincial government organizations, the shared data will be limited to information pertaining to farm operations located within the jurisdiction of the respective province.

### Fax or other electronic transmission disclosure

There could be a risk of disclosure during the facsimile or electronic transmission. However, upon receipt of your information, Statistics Canada will provide the level of protection afforded for all information collected under the authority of the *Statistics Act*.
