# **GENERAL INFORMATION**

This information is collected under the authority of the Statistics Act, Revised Statutes of Canada, 1985, Chapter S-19. COMPLETION OF THIS QUESTIONNAIRE IS A LEGAL REQUIREMENT UNDER THIS ACT.

#### Survey purpose

The purpose of this survey is to produce monthly statistics on production and stocks of various dairy products and sales of fluid milk and cream.

The information is kept CONFIDENTIAL and grouped with others to provide valuable statistics for milk marketing agencies, farmers and processor associations, and government departments.

Your information may also be used by Statistics Canada for other statistical and research purposes.

#### Confidentiality

#### Your answers are confidential.

The Statistics Act protects the confidentiality of information collected by Statistics Canada. Statistics Canada is prohibited by law from releasing any information it collects which could identify any person, business, or organization, unless consent has been given by the respondent or as permitted by the Statistics Act. Statistics Canada will use the information from this survey for statistical purposes.

# Record linkages

To enhance the data from this survey, Statistics Canada may combine it with information from other surveys or from administrative sources.

# **Data-sharing agreements**

To reduce respondent burden, Statistics Canada has entered into data-sharing agreements with provincial and territorial statistical agencies and other government organizations, which have agreed to keep the data confidential and use them only for tatistical purposes. Statistics Canada will only share data from this survey with those organizations that have demonstrated a equirement to use the data.

Section 11 of the Statistics Act provides for the sharing of information with provincial and territorial statistical agencies that meet certain conditions. These agencies must have the legislative authority to collect the same information, on a mandatory basis, and the legislation must provide substantially the same provisions for confidentiality and penalties for disclosure of confidential information as the Statistics Act. Because these agencies have the legal authority to compel businesses to provide the same information, consent is not requested and businesses may not object to the sharing of the data.

For this survey, there are Section 11 agreements with the provincial statistical agencies of Ontario and Manitoba.

The shared data will be limited to information pertaining to business establishments located within the jurisdiction of the respective province or territory.

#### Fax or e-mail transmission disclosure

Statistics Canada advises you that there could be a risk of disclosure during the transmission of information by facsimile or e-mail. However, upon receipt, Statistics Canada will provide the guaranteed level of protection afforded all information collected under the authority of the Statistics Act.

Please return the completed questionnaire to Statistics Canada at the latest, the 10th day of the month by mail using the return envelope.

You can also fax it to us at 1-888-883-7999.
