If any information above is missing or incorrect please make the necessary changes directly on the label.

*The purpose of this survey is to collect reliable and up-to-date information on non-board grains and specialty crops in the province of Manitoba, Saskatchewan and Alberta. These data are used to calculate farm cash receipts which measures agricultures contribution to the Canada economy. The data are also used by producer organizations, government departments and others for policy and decision making.*

*Please provide the information requested on non-board grains and specialty crops for the month specified.*

- tonnes purchased (dockage and shrinkage deducted).
- gross receipts (only rail freight and elevation deducted).

*In compiling average provincial prices to producers, your data will be aggregated with data received from other companies to protect the confidentiality.*

*Please return your completed questionnaire by facsimile to 613-951-3868.*

*If you have any questions, please telephone Bernie Rosien (613) 951-2441. Thank you*
