The purpose of this survey is to collect information on livestock and crops. The success produced from the survey enable those active in the agricultural sector to observe and assess changes in the incustry, measure performance and keep the agricultural community and general public informed of developments. The questions in Section G (Cattle and Calves Supplementary) are sponsored by Agriculture and Agri Foog Canada, to aid in the analysis of the cattle sector since BSE.

Statistics Canada is collecting information concerning the form described on the label. If the operators of this holding manage any other farm(s) entirely separate from this form (i.e., separate accounting books are kept), please do not include any data for the other farm(s) on this question recire.

Instructions: When answering the questions, please include as of October 1, 2010 ...

... all livestock (cattle or calves, pigs, and/or sheep or lambs) on your operation regardless of ownersing, in cluding livestock pastured, custom fed or fed under contract for others.

... a.' livestock owned by the operator and held on Crown land, community pastures, and grazing projects.

... Please DO NOT REPORT livestock (cattle or calves, pigs and/or sheep or lambs) which are owned by you but kept on a farm, ranch or feedlot operated by someone else.
