2013 / Interview / CAPI

Initial Contact (IC)

IC_R01

I'm [calling/visiting you] regarding the Survey of Household Spending. This survey collects information on amounts spent on food, clothing, shelter, transportation, health care and other items in order to understand spending habits of households in Canada. Information is also collected about dwelling characteristics and household furnishings and equipment.

All information collected in this survey will be kept strictly confidential.

While participation in this survey is voluntary, your cooperation is important to ensure that the information collected in this survey is as accurate and as comprehensive as possible. [All information collected in this survey will be kept strictly confidential.]

INTERVIEWER: Press <1> to continue.
