EDUCATION SURVEY

October 1977

Dear Respondent,

Education plays a very important role in all our lives and on a broader scope in Canada's overall development. The purpose of this survey is to collect information on Canadians' past and current educational experience. The information collected from this survey will be used to provide estimates of Canadians' attendance and achievements at educational institutions across Canada. The survey is being conducted by the Special Surveys Coordination Division of Statistics Canada.

We ask you to take a minute or two to answer the questions on the next few pages. We assure you the information you provide is confidential.

Thank you for your cooperation.

Peter G. Kirkham,

Chief Statistician of Canada
