## Please read carefully before completing the questionnaire

Coverage

Please complete the questionnaire for the business unit(s) described in the pre-printed area above. For this purpose, a "business unit" is defined as the lowest level of the firm for which separate records are kept for such details as revenue, expenses and employment.

Survey Objective The survey objective is the collection and publication of data necessary for the statistical analysis of the Internet Service Providers and Related Services industry. The information from the survey can be used by businesses and trade associations for market analysis and assessment of industry performance, operating characteristics and trends, by government to develop national and regional economic policies, by other users involved in research or policy making and by Statistics Canada for maintaining important data input to the preparation of the Canadian System of National Accounts.

Confidentiality

Statistics Canada is prohibited by law from publishing any statistics which would divulge information relating to any identifiable business without the previous written consent of that business. The data reported on this questionnaire will be treated in strict confidence, used for statistical purposes, and published in aggregate form only. The confidentiality provisions of the Statistics Act are not affected by either the Access to Information Act or by any other legislation.

Questions and Return Procedures Please complete and return questionnaire within 14 days of receipt to:

Statistics Canada Operations and Integration Division 2nd floor, Jean Talon Bldg., Ottawa, Ontario K1A 0T6

This survey questionnaire can also be sent to Statistics Canada using the following facsimile communication: 1-888-605-2493

Statistics Canada advises you that there could be a risk of disclosure during the facsimile communication process. However, upon receipt of your facsimile, Statistics Canada will provide the guaranteed level of protection afforded to all information collected under the authority of the Statistics Act.

If you have questions or require assistance in completing this questionnaire please call our toll free number: 1-888-820-1169 and a representative of Statistics Canada will gladly answer your queries.

Duplicate Questionnaires If you receive more than one copy of this questionnaire for the same business, please complete the one that is correctly labelled and return it with the duplicate(s), writing "DUPLICATE" on the relevant form(s).

Note of Appreciation Canada owes the success of its statistical system to a long-standing co-operation involving Statistics Canada, the citizens of Canada, its businesses, governments and other institutions. Accurate and timely statistical information could not be produced without their continued co-operation and goodwill.
