Introduction

Purpose of this survey

The data collected in this quarterly survey are used to produce indexes that measure the prices of rental and leasing activities for the commercial and industrial machinery and equipment industry. Businesses use these indexes to gain a better understanding of their industry and assess their performance, while Statistics Canada uses these indexes to estimate inflation adjusted growth and productivity from this sector of the economy. The information may also be used by Statistics Canada for other statistical and research purposes.

Confidentiality

Statistics Canada is prohibited by law from releasing any information it collects which could identify any person, business, or organization, unless consent has been given by the respondent or as permitted by the *Statistics Act*. Statistics Canada will use the information from this survey for statistical purposes.

Fax or other electronic transmission disclosure

Statistics Canada advises you that there could be a risk of disclosure during the facsimile or other electronic transmission. However, upon receipt, Statistics Canada will provide the guaranteed level of protection afforded to all information collected under the authority of the *Statistics Act*.

Your participation is important

Your participation is vital to ensuring that the information collected in this survey is accurate and comprehensive.
