Company Name:	_____
Reporting Officer	_____
Name:	_____
Phone:	_____
Email:	_____

Month: _____
Year: _____

Introduction: This Statistics Canada survey is conducted on behalf of the Canadian Fertilizer Institute and Agriculture and Agri-Food Canada, to produce statistics on shipments of fertilizer in Canada by manufacturers, wholesale distributors and major retail distributors.

Please complete this questionnaire and return within 2 weeks

What unit of measure will be used to report information?

Metric tonnes ☐

Short tons ☐

Enter "X" beside applicable category

Other, specify: _____

Shipments of imports into Canada (products imported from non-Reporting companies)								
Include shipments:	<ul style="list-style-type: none">- of all product (imported or purchased from non-reporting companies) which you physically transferred (either sold or consigned) during the past month TO:<ul style="list-style-type: none">- your Canadian customers for <u>agricultural</u> use,- your own Retail outlets,- of domestic products FROM other Canadian Producers NOT listed on the last page.							
Exclude shipments:	<ul style="list-style-type: none">- to avoid double reporting of the same products, and to ensure collection of shipments to final destination:<ul style="list-style-type: none">- DO NOT report shipments purchased through a reporting Canadian Producer or Distributor (see companies listed on the last page)- DO NOT report Domestic industrial or lawn & garden sales (as best as can be determined),- DO NOT report micronutrients.							
Imports:	<ul style="list-style-type: none">- Report all fertilizer products that your company ships into Canada in the month it is shipped to the province of final destination.- Include products on an Importer of Record basis, and products imported through a brokerage.							
Reporting Instructions:	<ul style="list-style-type: none">- Report all import shipments to the province of final destination (as best can be determined by province).- For the purposes of this survey, BC is the area of British Columbia located south of Highway #16. The BC portion of the Peace River block is north of Highway #16, of which sales should be included in Alberta.- No conversions are required. Report shipments in the form and concentration delivered to purchasers (producers, wholesale distributors, retail distributors). Note that the detailed product list is for reporting purposes only - the information will be grouped later for monthly publication for: Ammonia, Urea, AN / CAN, Am Sul, MAP, DAP, Potash and Other.- Please type in numbers to the nearest tonne eg: 123,456.							
Product	Analysis (N-P-K-S)	Atlantic	Quebec	Ontario	Manitoba	Sask.	Alberta & Peace River, B.C.	B.C.
Aqua Ammonia (NH3)	24-0-0							
Anhydrous Ammonia (NH3)	82-0-0-0							
Urea	46-0-0							
ESN	44-0-0							
Ammonium Nitrate (N / CAN)	34-0-0-0							
Nitrogen Solutions (CAN)	28-0-0-0							
	32-0-0-0							
Monoammonium Phosphate (MAP)	11-52-0-0							
Diammonium Phosphate (DAP)	18-46-0-0							
Ammonium Polyphosphate	10-34-0-0							
	11-37-0-0							
Potash	0-0-60/62-0							
Potassium Sulphate	0-0-50-18							
Potassium Magnesium Sulphate (KMAG)	0-0-22-22							
Ammonium Sulphate (AS)	21-0-0-24							
	20-0-0-24							
Ammonium Thiosulphate	15-0-0-20							
Elemental Sulphur	0-0-0-90							
	0-0-0-85							
Ammonium Phosphate Sulphate	16-20-0-14							
Other (specify analysis)								
Other (specify analysis)								
Total Fertilizer Materials	TOTAL							

If you have questions about whether your company should be designated as a Wholesale Distributor or a Retail Distributor, please phone Robert Waugh at 1-800-465-1991.
