Terms and Conditions

The statistical work outlined in this proposal will be used to support the mandate of the organization. The person (or persons) named in the proposal is (or are) authorized to perform the work on behalf of the organization. The individual agrees to abide by the [Statistics Canada Open Licence Agreement](#) which governs the use of information produced by Statistics Canada and provided by the RTRA system.

Persons engaged in the course of carrying out this contract may not use the RTRA system for any other purpose except that which was agreed upon in this contract and by the RTRA Contact during the signing of the RTRA Licence Agreement, including the condition that user accounts cannot be shared with any other individual.

The researcher understands that any contravention of the RTRA terms and conditions or the [Statistics Canada Open Licence Agreement](#) will result in his/her access being revoked for an indeterminate period of time. The organization sponsoring the researcher may also be subject to revocation of their access.

Affirmation

I have read the Statistics Canada Open Licence Agreement and RTRA terms and conditions and agree to abide by them.
